### **Introduction:**

The Department of Zoology successfully organized a **World Sparrow Day Programme** on **March 20** at **9:00 AM** to raise awareness about sparrow conservation and highlight the importance of nest box installation. The event was conducted by the **Students of Zoology** with great enthusiasm and participation.

### **Programme Highlights:**

The event commenced with an introductory address by **Pallavi Kirpane**, a **B.Sc. Second-Year student**, who served as the anchor for the programme.

### **Guest Talks:**

1. **Dr. Prashant Awate**, Head & Assistant Professor, Department of Zoology, was the chief guest and delivered an **awareness talk on sparrow conservation**. He highlighted the declining population of sparrows due to urbanization, habitat destruction, and pollution, emphasizing the urgent need for conservation efforts.
2. **Dr. Rupali Tekade** conducted a **talk and demonstration on nest box installation**. She explained the significance of providing artificial nesting spaces for sparrows and demonstrated the correct method of nest box installation.

### **Audience Participation:**

The session was interactive, with students actively engaging in discussions and asking insightful questions about sparrow conservation and the role they can play in protecting these birds.

### **Vote of Thanks:**

The programme concluded with a **Vote of Thanks** by **Arti Tuwar**, a **Final Year B.Sc. student**, who expressed gratitude to the esteemed guests, faculty members, and all students for their participation and support in making the event successful.

### **Conclusion:**

The **Sparrow Day Programme** was an enlightening and inspiring event, encouraging students to take small yet impactful steps toward **sparrow conservation**. The session successfully instilled awareness among students about the importance of preserving biodiversity and taking active measures to protect urban wildlife.
