One Day workshop on Seed balls Creations at Datey college Yavatmal

From last few years Yavatmal is continuously facing the water crises so due to huge forest destruction so to overcome such crises one of the renowned college named Babaji Datey Arts and Commerce College, Yavatmal has organized an one day workshop on Seed Ball making on 8th of September 2018 by Dr. Kalpana Deshmukh Head Dept. of Geography. Dr. Manik Mehre Vice, Principal presided over the function and Prof. Yashwant Rathod were also present. Dr Rupali Tekade Assist Prof Dept. of Zoology ,Late Rajkamalji Bharti Arts Commerce and Smt. S. R. Bharti Sciencce College Arni was the Special Invitee and guided the students for making seedballs. The Regional Forest officer Kaushal Rangari also was present and she talked over the importance and uses of Medicinal plants.

During the workshop students learned an innovative way to make Seedballs. The Seedballs were manufactured out of a mixture of soils, seeds and manure. These Seedballs are intended to be thrown near hills, schools, wastelands etc., especially during trekking camps in order to retain green environment. The workshop ignited the young minds to develop an eco-friendly environment and awareness about conservation of forest among students. The workshop also witnessed participation from the public and it was a grand success .

Dr. R. P. Tekade, guiding to make seed ball.
